2025/2026 Season

Dear Valued Member of the Brentwood Community,

On behalf of **Brentwood Youth Basketball (BYB)**, we are reaching out to ask for your support as we work to strengthen our local youth basketball program.

We are partnering closely with our district's middle school and high school basketball coaches to build a **sustainable, skills-based development pipeline**, beginning with our elementary students. Our goal is to create a **shared foundation** that not only helps young athletes grow on and off the court but also keeps our basketball programs **competitive for years to come**.

To achieve this, we need the support of our local businesses, organizations, and community members. Larger districts in our area have been able to build strong sponsorship relationships that give their student-athletes an edge—we want to offer our kids those same opportunities here in Brentwood.

With your help, we can rebuild and grow a program that invests in player development, equipment, uniforms, league expenses, and team recognition. More importantly, your sponsorship will allow us to **create an amazing pipeline for the future of competitive basketball in Brentwood**—a program that instills pride in our community while helping our young athletes reach their fullest potential.

Enclosed you'll find our **Sponsorship Designation Form**, which outlines the different sponsorship levels and opportunities to support. We hope you'll consider partnering with us in this important effort. Should you have any questions, please email us at BrentwoodYouthBasketball@gmail.com or call Kelly (Flannery) Watson at 412-638-1130.

Thank you for your time and consideration. Together, we can build something truly special for Brentwood's youth.

Sincerely,

Miranda Kirby, President
